MED LUCE Retractable Roof

Vanguard

“Six generations of industry experience”

FEATURES & BENEFITS

- Uncompromising style & quality.
- Provides UV, heat & weather protection.
- PVC coated polyester fabric, available in a wide range of colours (waterproof).
- Superior quality finishing - no visible screws or fixings to the wall or ground.
- Front rail retracts with fabric allowing for uninterrupted views.
- Gutter integrated into front rail ensures water drainage from either side.
- Ability to protect large outdoor areas - multiple modules can be connected with support bars.
- Ability to be partially or fully retracted as required.
- When fully retracted the fabric is protected by a roof cover.
- Tested to withstand winds that exert a maximum pressure of 110Nm or similar to a persistent wind speed of 49km/hr.
- Powder coat finishes available for aluminium frame, support bars & front rail – durable with superior colour retention.
- Motorised with a range of remote control options.
- 5 year warranty*

*Conditions apply see Vanguard /Gibus warranty for full details.

Max Projection	6,000mm	5,500mm	5,500mm

MED LUCE - CHANGE THE WAY YOU ENTERTAIN.

The Med Luce is the latest development in retractable fabric roofs from Gibus. Featuring a sleek modern appearance with crisp corners, it quickly and elegantly extends outdoor living areas. The modified front rail houses an integrated gutter ensuring water drainage, and retracts with the fabric to allow for uninterrupted views from horizon to sky.

Each roof is custom designed to suit your exact specifications and is available with integrated LED lighting to ensure entertaining can continue from day to night. Perfectly suited to commercial, residential or hospitality applications, including those located in coastal areas.

Front rail detail - integrated gutter ensures water drainage from sides.

Optional LED spot lighting - integrated into the support bars.

Superior finishes - sharp corners, no visible screws or fixings.

LIFESTYLE SOLUTIONS

Create a complete outdoor solution by combining your Med Luce with a complimenting product.

Recommended products:

- LED spot lighting & electric heaters.
- Rain or wind/sun sensors.
