MED ROOM - SUPERIOR STYLING & QUALITY PROTECTION.

Create your own outdoor oasis with a Med Room. Available in leaning or free-standing styles perfect for adding additional space and value to your property. The unique design allows the fabric to be installed into the frame on a slight angle to ensure water drainage through the structural post downpipes.

Each roof is custom designed to suit exact specifications and is available with integrated LED lighting to ensure entertaining can continue from day to night. Perfectly suited to commercial, residential or hospitality applications, including those in coastal areas.

Crisp angled design with quality finishing - no screws or fixings visible.

Optional LED spot lighting - integrated into the support bars.

Side gutters with down pipes - integrated into frame posts.

LIFESTYLE SOLUTIONS
