

Designed by **Gibus**

TOLO Straight Drop Awning Series

Vanguard

“Six generations of industry experience”

FEATURES & BENEFITS

- 3 styles available - choose the best option to suit your requirements & installation area.
- Motorised (240v) with remote control.
- Unique patented magnetic feet - cradle & strongly secure the front bar in position when closed.
- Magnetic feet available in 3 configurations - fix to railing/floor, recess or wall face.
- Provides privacy whilst offering protection from wind, rain, heat & glare.
- Assists in regulating temperature - reduces sun penetration & absorbs heat to keep areas cooler in Summer.
- Ability to protect large outdoor areas - multiple awnings can be connected & operate in sync.
- Ability to be partially or fully retracted as required.
- Tolo GA (side guides) - has an innovative locking system inside the channels which can stop the awning in stable intermediate positions.
- When retracted the fabric is protected by a stylish colour matched cylindrical pelmet.
- Wide range of fabrics available including block out/privacy & clear PVC.
- Powder coat finishes available for aluminium pelmet, front bar & side channels – durable with superior colour retention.
- Tested to withstand winds that exert a maximum pressure of 110Nm or similar to a persistent wind speed of 49km/hr.

• 5 year warranty*

*Conditions apply see Vanguard /Gibus warranty for full details.

Min Width	1,200mm
Max Width	4,800mm
Min Height	2,000mm
Max Height	3,500mm

INSTALLATION

Ceiling mount

Wall mount

TOLO - LATERAL THINKING HAS NEVER BEEN EASIER.

Tolo represents the ongoing commitment to innovation and quality design that Gibus is renowned for. The series comprises of 3 models, each offering a solution that can be integrated seamlessly into existing facades and structures.

The awnings feature a unique cylindrical pelmet, which houses and protects the fabric when retracted. When opening the awnings the front bar descends effortlessly and connects with magnetic feet for a secure hold. For additional stability stainless steel cable guides or aluminium side channels are available.

Tolo CL: Front bar only - no guides. perfectly suited for balconies.

Tolo GC: Stainless steel cable guides for additional stability.

Tolo GA: Extruded aluminium side channels - superior tension/stability.

Front bar & magnetic feet (Tolo CL featured)
